Georges Naufal, Ph.D. Associate Research Scientist

Dr. Naufal is a highly sought after researcher of practice, an associate research scientist, and a research fellow at both the IZA Institute of Labor Economics and the Economic Research Forum (ERF). He earned his Ph.D. in Economics in 2007 from Texas A&M University and was an associate professor of Economics at the American University of Sharjah in the United Arab Emirates. His passion for applied policy in econometrics with applications to labor economics, criminal justice, education, health, and migration demographics are one of PPRI's greatest strengths.

- Three-time winner of the Jeff Edwardson Award for Outstanding Undergraduate Instructor, Department of Economics.
- Principal investigator for projects by international, national, and state-level funders, securing more than \$1.5 million in grant funding.
- Major news outlets including the New York Times, Bloomberg, Reuters, The Washington Post, and NPR have covered his work.
- Published 25 peer-reviewed articles, 9 book chapters, 9 policy reports, and a book.
- Cited in the S.C.R. 009 Resolution by the Utah Legislature.
- Advisory Committee Member of the Texas Association of Pretrial Services since 2024.
